College/course fees are listed online with applicable courses in the Web Schedule of Classes for the applicable term after logging into the MyBama account. To see the college fee rates per college, visit studentaccounts.ua.edu/college-fee-rates-by-college.

Application Fees

A nonrefundable application fee must accompany each new application for admission before it will be processed. The application fee for U.S. citizens and permanent residents is \$65; for international applicants the fee is \$80. Credit card payments may be made with online applications at the Graduate School's website. After admission, no fee will be assessed for subsequent applications requesting a change of program area, change of degree objective within the program of study, or change of status from non-degree to a degree program. If a student applies but does not enroll within 12 months of the requested entrance date, a new application and an accompanying appropriate fee must be submitted.

Auditing courses

Auditing a course does not affect the rate charged for the course.

Status as an Alabama Resident

The University's policy on residency can be found at Residency for Tuition Purposes Policy.
