

WITHDRAWAL FROM THE UNIVERSITY

It is the student's responsibility to officially withdraw from the University or from an individual course in accordance with University regulations. The Withdrawals and Leave of Absence section of the Undergraduate Catalog has the necessary instructions. Please visit <https://studentaccounts.ua.edu/withdrawal-from-the-university/> for more information about the financial impacts of withdrawing, including information on how federal financial aid, loans, and scholarships may be affected.

A student may initiate the withdrawal process through myBama.
