

CURRICULUM

Core Curriculum/General Education Requirements

To achieve a general education while pursuing a specific concentration in a chosen field of study, each undergraduate student will construct a curriculum that includes coursework in key areas. [Read more.](#)

Final Examinations

Final examinations are held at the conclusion of each term. [Read more.](#)

Graduation

Degrees are conferred at the close of each fall and spring semester and summer term. [Read more.](#)

Majors and Degrees

Degree programs may provide academic, pre-professional, or professional experiences and preparation. [Read more.](#)

Undergraduate Certificates

An undergraduate certificate is a formal academic award in specific skills or knowledge that enhances professional preparation. [Read more.](#)

Postgraduate Students

A student holding a bachelor's degree from an accredited institution of higher learning may earn a second bachelor's degree, in most instances, from The University of Alabama by fulfilling a specific set of requirements at both the College and University level. [Read more.](#)

Registration

Prior to registering for classes each term, students may require academic advising using the procedures established by each college. [Read more.](#)

Shelton State Bridge Program

The Shelton State Bridge Program is intended to facilitate a smooth transition for students who begin their studies at Shelton State Community College and wish to matriculate to The University of Alabama to complete a bachelor's degree. [Read more.](#)

UA-Stillman Cooperative Exchange Program

Established in 1972, the UA-Stillman Cooperative Agreement allows students enrolled at both institutions to participate in this program subject to the established rules and procedures. [Read more.](#)

UA System Cooperative Exchange Program

The University of Alabama System has a Cooperative Exchange Program that allows a student at any of the system's institutions (Birmingham, Huntsville, or Tuscaloosa) to enroll in courses at one of the other institutions. [Read more.](#)
